Re: Section 63.71 Application
        Comm South Companies, Inc.

Dear Ms. Dortch:

On September 27, 2005, Comm South Companies, Inc. ("Comm South") filed its "Section 63.71 Application" ("Application") pursuant to Section 63.71 of the Commission's Rules to discontinue interstate telecommunications services. Comm South subsequently amended that filing with additional information on October 4, 2005 and October 7, 2005 (collectively, "Amendments"). Comm South hereby amends the Application and the Amendments, to clarify that it has provided notification of discontinuance in accordance with the requirements in Section 63.71(a)(5)(i) of the Commission's Rules to those residential, business and payphone customers to whom Comm South provides interstate telecommunications services. The form of that notice was described in and/or attached to the Application and the Amendments thereto. The purpose of this amendment is to reflect that notification was provided to Midland Telephone Co. ("Midland"), an additional payphone customer. A copy of the notice to Midland is attached hereto.

An original and five (5) copies of the filing are included herewith. Please date-stamp one enclosed copy of this submission and return it to the courier delivering this package. Should any questions arise concerning this submission, please contact the undersigned. Thank you.

Respectfully submitted,

Paul C. Besozzi
